## **Notice of Ordinary Resolution**

**At the Annual General Meeting of Saturday 7th February 2026, members are asked to approve the increase in the upper limit size of the IRRS Board from the current ten, to twelve.**

**Reason for this resolution:** It is important that the work of the IRRS Board is supported by a broad team which can continue its operations on a sustainable basis. Expanding the Board upper size creates the space to bring new expertise to the table and spread the voluntary work across a broader team.
