Outing to the new National Train Control Centre & Heuston Valeting Plant

With thanks to Iarnród Éireann, a visit has been arranged to the new National Train Control Centre and Heuston Valeting Plant, on Saturday 17th June 2023 to view the new Control Centre for the Iarnród Éireann network and the new ICR "B2 cars" at the Heuston Valeting Plant.

Please note this outing is limited to 40 members only (guests not permitted) so early booking is advised!

Timetable:

All tour participants to meet at the Irish Railway Record Society building at Heuston Station for 11.00hrs for registration. The visit to the NTCC and Valeting Plant will be split into two groups for crowd management purposes.

Group 1

11.30 – 12.30: National Train Control Centre.

12.45 – 13.45: Heuston Valeting Plant.

Group 2

11.30 – 12.30: Heuston Valeting Plant.

12.45 – 13.45: National Train Control Centre.

Tickets	Members	€15.00
----------------	---------	--------

The ticket cost is to cover the provision of PPE equipment essential to the visit and Eventbrite fees.

Bookings for this outing should be made via our Eventbrite booking form at
