Saturday 19th August 2023

Outing to the new National Train Control Centre & Heuston Valeting Plant

Due to strong demand for our first visit, a second outing to new National Train Control Centre and Heuston Valeting Plant has been arranged for Saturday 19th August 2023 to view the new Control Centre for the Iarnród Éireann network and the new ICR "B2 cars" at the Heuston Valeting Plant.

Please note this outing is limited to 40 members only (guests not permitted) so early booking is advised! We request that members who booked on the previous outing for 17th June 2023, please refrain from booking this event to ensure access for other members.

Timetable:

All tour participants to meet at the Irish Railway Record Society building at Heuston Station for 11.00hrs for registration. The visit to the NTCC and Valeting Plant will be split into two groups for crowd management purposes.

Group 1

11.30 – 12.30: National Train Control Centre.

12.45 – 13.45: Heuston Valeting Plant.

Group 2

11.30 – 12.30: Heuston Valeting Plant.

12.45 – 13.45: National Train Control Centre.

Tickets	Members	€15.00
----------------	---------	--------

The ticket cost is to cover the provision of PPE equipment essential to the visit and Eventbrite fees.

Bookings for this outing should be made via our Eventbrite booking form at <https://irrsheuston190823.eventbrite.ie>

The closing date for tickets is **Sunday 13th August 2023**

Event Participants: Members of the Society may participate in Society events and activities (such as rail trips). The Society holds and processes the following personal data in relation to participants: name, membership number (if applicable), postal address, email address, telephone number and method of payment (cash, cheque, Paypal, Eventbrite etc.). The Society does not retain any financial information (such as account or card numbers) relating to participants. The personal data is used to record payment and to communicate with participants about the event or activity and is deleted/disposed of in a secure manner following the event. However, in the case of non-members, their personal data may be retained with their explicit consent solely for the purpose of communicating with them about future events, activities or publications relevant to the Society's objects.
