"The Token Exchange" Railtour

We are delighted to announce, "The Token Exchange" Railtour has been arranged for Saturday 23rd September 2023. We will be travelling over the South Tipperary & the Nenagh Branches to view the last mechanically signalled passenger railway lines in Ireland using Electric Train Staff signalling regulations.

Stops will be made at all stations on each route allowing time for photographs. The tour is scheduled to operate via the Lavistown Loop, since December 2022 only three passenger trains a week use it and the rarely used connecting line between the Nenagh Branch and the Dublin – Cork line at Ballybrophy.

We will be travelling on one of Iarnród Éireann's 3 car Class 22000 DMU's introduced between 2007 and 2013. The use of one of the two ZF transmission fitted sets, 22007 or 22063 has been requested, *subject to availability*.

An onboard catering trolley service will serve a range of hot and cold drinks, sandwiches, snacks, and light refreshments. *Please note that payment will be by card only. No cash accepted.*

All timings are indicative until confirmed by Iarnród Éireann.
