Engineers Ireland event at IRRS Heuston.

“Along the Way and Across the Water - a view on railway engineering and its future in Great Britain and on the Island of Ireland” by *Andrew Skinner Chairman of the Institution of Mechanical Engineers Railway division.*

This event starts at 17.00 and must be booked in advance (free) for inperson and zoom webinar access at:

<https://www.engineersireland.ie/Events/event/9720>

25th April 2024

*Inperson at IRRS
Heuston & Zoom
Webinar*

“DART+ Programme” by *Paul Hendrick by Director Capital Investments, Iarnród Éireann*

9th May 2024

*Inperson at IRRS
Heuston & Zoom
Webinar*

Change of presenter & subject “Harristown Station - a History” by *John O'Brien.*
Following on from his article in Journal 213, John gives a presentation on the history of the Station Masters of Harristown Station on the Tullow Branch.

Join us at the Irish Railway Record Society Heuston Station or online via Zoom Webinar for our final meetings of 2023/2024 season. All meetings start at 19.30 hours unless otherwise advertised.

We hope that members based in the Greater Dublin Area will take the opportunity to join us at our premises in Heuston Station for the recommencement of in-person talks since the Covid pandemic.

Members will be emailed a link to the webinar session a few days in advance of the meeting.

Please refer to the IRRS website / Facebook or X (Twitter) for any changes nearer the date of each meeting.
