THE IRISH RAILWAY RECORD SOCIETY COMPANY LIMITED BY GUARANTEE DIRECTORS RESPONSIBILITY STATEMENT

The directors' are responsible for preparing the directors' report and the financial statements in accordance with applicable Irish law and regulations.

Irish Company law requires the directors to prepare financial statements for each financial year. Under the law the directors have elected to prepare the financial statements in accordance with Companies Act 2014 and accounting standards issued by the Financial Reporting Council [and promulgated by Chartered Accountants Ireland, including FRS 102 The Financial Reporting Standard applicable in the UK and Ireland (Generally Accepted Accounting Practice in Ireland). Under company law, the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the assets, liabilities and financial position of the company as to the financial year end and of the profit or loss of the company for the financial year and otherwise comply with the Companies Act 2014.

In preparing those financial statements, the directors are required to:

- Select suitable accounting policies and then apply them consistently
- Make judgements and estimates that are reasonable and prudent
- State whether the financial statements have been prepared in accordance with applicable accounting standards, identify those standards and note the effect and the reasons for any material departure from those standards
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

The directors are responsible for ensuring that the company keeps or causes to be kept adequate accounting records which correctly explain and record the transactions of the company, enable at any time the assets, liabilities, financial position and profit or loss of the company to be determined with reasonable accuracy, enable them to ensure that the financial statements and directors report comply with the Companies Act 2014 and enable the financial statements to be compiled. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The directors are responsible for the maintenance and integrity of the corporate and financial information included on the company's website. Legislation in Ireland governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions

ACCOUNTANTS REPORT

In accordance with the, *engagement letter*, dated 19th July 2024 we have compiled, without carrying out an audit, the financial statements of the company, which comprise the Profit and Loss Account, the Balance Sheet, the Statement of Changes in Equity and the related notes, including a summary of the significant accounting policies set out in note 1, from the accounting records and information and explanations you have given to us. The financial reporting framework that has been applied in their preparation is Irish law and accounting standards issued by the Financial Reporting Council (Generally Accepted Accounting Practice in Ireland), including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland as adapted by Section 1A of FRS 102, and the Companies Act 2014.

This report is made to the company's board of directors, as a body, in accordance with the terms of our engagement. Our work has been undertaken so that we might compile the financial statements that we have been engaged to compile, report to the company's board of directors that we have done so, and state those matters that we have agreed to state to them in this report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's board of directors, as a body, for our work, or for this report.

Respective Responsibilities of Directors and Accountants

As described on page 5 the company's directors are responsible for ensuring that the company maintains adequate accounting records and for preparing financial statements, which give a true and fair view of the assets, liabilities and financial position of the company as at 31st August 2024 and its profit for the year then ended and have been properly prepared in accordance with the Companies Act 2014.

You are responsible for deciding, on an annual basis, whether the company is entitled to avail of the exemption from statutory audit in accordance with Section 358 of the Companies Act 2014. It is our responsibility to compile the financial statements of The Irish Railway Record Society Company Limited By Guarantee Company FRS 102 Section 1A from the accounting records, information and explanations supplied to us by the directors.

Scope of Work

As a firm regulated by Chartered Accountants Ireland our work will be carried out in accordance with the Miscellaneous Technical Statement No.41 Chartered Accountants' Reports on the Compilation of Financial Statements of Incorporated Entities and ISRS 4410 International Standard on Related Services — Compilation Engagements. In carrying out this engagement we have complied with the ethical guidance laid down by the Institute relating to members undertaking the compilation of financial statements.

ACCOUNTANTS REPORT

We have not been instructed to carry out an audit of the financial statements. For this reason, we have not verified the adequacy, accuracy or completeness of the accounting records or information and explanations you have given to us and we do not, therefore, express any opinion on the financial statements.

You have acknowledged on the balance sheet for the year ended 31st August 2024 your duty is to ensure that the company has kept adequate accounting records and to prepare financial statements that give a true and fair view of the assets, liabilities and financial position of the company at the end of its financial year and of its profit or loss for such a year under the Companies Acts 2014. You consider that the company is exempt from the statutory requirement for an audit for the year.

NOTES ON THE ACCOUNTS

1. ACCOUNTING POLICIES

The Irish Railway Record Society Company Limited By Guarantee is primarily engaged in bringing together those interested in all aspects of the working of Irish railways and tramways, through meetings and outings. The company's registered office is Box 9, Heuston Station, Dublin 8. The company is a company limited by guarantee incorporated in the Republic of Ireland and the company registration number is 311556.

The significant accounting policies adopted by the Company and applied consistently are as follows:

(a) Basis of preparation

The Financial Statements are prepared on the going concern basis under the historical cost convention, and comply with the financial reporting standards of the Financial Reporting Council including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") as adapted by Section 1A of FRS 102 and the Companies Act 2014.

The financial statements are prepared in Euro which is the functional currency of the company.

(b) Currency

(i) Functional and presentation currency

Items included in the financial statements of the company are measured using the currency of the primary economic environment in which the company operates ("the functional currency"). The financial statements are presented in euro, which is the company's functional and presentation currency and is denoted by the symbol "€".

NOTES ON THE ACCOUNTS

(ii) Transactions and balances

Foreign currency transactions are translated into the functional currency using the spot exchange rates at the dates of the transactions.

At each period end foreign currency monetary items are translated using the closing rate. Non-monetary items measured at historical cost are translated using the exchange rate at the date of the transaction and non-monetary items measured at fair value are measured using the exchange rate when fair value was determined.

(c) Interest income

Interest income is recognised using the effective interest method.

(d) Tangible fixed assets

(i) Cost

Tangible fixed assets are recorded at historical cost or deemed cost, less accumulated depreciation and impairment losses. Cost includes prime cost, overheads and interest incurred in financing the construction of tangible fixed assets.

Equipment and fixtures and fittings are stated at cost less accumulated depreciation and accumulated impairment losses.

(ii) Depreciation

Depreciation is provided on Tangible fixed assets, on a straight-line basis, so as to write off their cost less residual amounts over their estimated useful economic lives.

The estimated useful economic lives assigned to Tangible fixed assets are as follows:

Office Furniture and Equipment

12.5% straight line

The company's policy is to review the remaining useful economic lives and residual values of Tangible fixed assets on an on-going basis and to adjust the depreciation charge to reflect the remaining estimated useful economic life and residual value.

Fully depreciated property, plant & equipment are retained in the cost of property, plant & equipment and related accumulated depreciation until they are removed from service. In the case of disposals, assets and related depreciation are removed from the financial statements and the net amount, less proceeds from disposal, is charged or credited to the profit and loss account.

NOTES ON THE ACCOUNTS

(e) Stocks and Work In Progress

Stocks comprise consumable items and goods held for resale. Stocks are stated at the lower of cost and net realisable value. Cost is calculated on a first in, first out basis and includes invoice price, import duties and transportation costs. Net realisable value comprises the actual or estimated selling price less all further costs to completion or to be incurred in marketing, selling and distribution.

(f) Trade and other debtors

Trade and other debtors are recognised initially at transaction price. Other financial assets

(g) Cash and cash equivalents

Cash and cash equivalents include cash on hand, demand deposits and other short term highly liquid investments with original maturities of three months or less. Bank overdrafts are shown within borrowings in current liabilities on the statement of financial position.

(h) Creditors and accruals

Creditors and accruals are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade payables are recognised initially at the transaction price and subsequently measured at amortised cost using the effective interest method.

As permitted by the amendment made to FRS 102 Section 11 for small entities by the FRC on 8 May 2017 amounts due from directors and shareholders of the entity are stated initially at the transaction price and subsequently at transaction price less repayments. The amortised cost model is not used.

(i) Provisions

Provisions are recognised when the company has a present legal or constructive obligation as a result of past events; it is probable that an outflow of resources will be required to settle the obligation; and the amount of the obligation can be estimated reliably.

Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognised even if the likelihood of an outflow with respect to any one item included in the same class of obligations may be small.

Provisions are measured at the present value of the expenditures expected to be required to settle the obligation using a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the obligation. The increase in the provision due to passage of time is recognised as a finance cost.

NOTES ON THE ACCOUNTS

(j) Contingencies

Contingent liabilities, arising as a result of past events, are not recognised when (i) it is not probable that there will be an outflow of resources or that the amount cannot be reliably measured at the reporting date or (ii) when the existence will be confirmed by the occurrence or non-occurrence of uncertain future events not wholly within the company's control. Contingent liabilities are disclosed in the financial statements unless the probability of an outflow of resources is remote.

Contingent assets are not recognised. Contingent assets are disclosed in the financial statements when an inflow of economic benefits is probable.

(k) Cash flow statement exemption

The company has availed of the exemption contained in Section 1A of FRS 102 and as a result have elected not to prepare a cash flow statement.
